Inspector General of Police in Mysore

To,

H. V. Nanjundayya Esquire, M.A.B.L
Secretary to the Government of H.H.
the Maharaja of Mysore,
General and Revenue Departments.

Sir,

With reference to Govern-
ment Proceedings No: 604 J.T. 53 of 03 of the
instant sanctioning the re-
establishment of the Head-Quarters
Police Training School, at Bangalore,

I have the honor to state that, as already noted in para 2 of m letter No: C. 6 of the 6th December 19 and para 1 of No: 5484/324 dated t 26th March 1903, a sum of Rs: 7920 was sanctioned by Government in their orders No: 9816-25 / J. T. 53-92 dated the 21st December 1893 and No: 14153- / J. 172 dated the 15th July 1899 for paym the locum tenens employed in th place of the Inspectors and Jema dars who may be detailed to undergo training in the school. Out of this amount Rs: 4076/ still remains unspent, as owin to the exigencies of the service and the prevalence of plague i

was not found feasible to withdraw more men. From the reports of the Deputy Commissioners it is seen that there are still 8 Inspectors or Chief Constables, and 23 Jemadars or Head Constables, and 225 Daffedars or Sergeants, who are considered young enough to undergo training and likely to benefit thereby. The School will be opened from the 1st October next, and I intend withdrawing about 10 officers — exclusive of Daffedars — at the rate of 1 from each District, 1 from the Sub. Division and 1 from the Kolar Gold Fields. These men will draw their

the allowance during the time of their undergoing instruction in the School as was the practice hitherto, and 2nd grade Jemadars & Head Constables will have to be employed in their places during the time of their absence at School. The cost thereby involved would amount to Rs: 1600 + (20 × 10 × 8), and I solicit the sanction of Government to incur the same.

I have brought to the notice of Government that our Daffedars are now entrusted with very responsible and onerous duties and that they are virtually

discharging the function of a Station House Officer. The training of this class of officers is a much and long felt want. With the steady march of progress in education and civilization, criminals have turned out more ingenious, and their modus operandi have at times defied many a good Police Officer; so long as the present class of officers continue to be what they are, it is impossible to attain efficiency in the Police Administration I intend therefore training 20 Daffadars at

French Rocks Sub- Division, and Kolar Gold Fields. These are poor and ill- paid men and cannot be expected to undergo a course instruction at Bangalore unless they are allowed to draw their full pay during such period. With a view to minimize the cost to Government, I do not intend to entertain new hand in their places but as already proposed in my letter No: C. 6 da 6. 12. 1902 one of the competent Constables will be put in charg of the Daffedar's duties, with an allowance of Rs: 2/ per mensem

during the absence of the perma-
nent incumbent. The additional
cost of such an arrangement is
Rs: 320/-, and I request sanction
of Government therefor.

As the orders of Govern-
ment the re-establishment of
the School were not received earlier,
no provision has been made in
the current year's budget for
meeting the two charges specified
above. I would therefore propose that
these charges may be debited to the
Head= Executive Rural Police; the
total expenditure during the
current official year [illegible]

to Rs. 1920 L which is less than Rs: 4076 /-, the unspent balance out of Rs: 79.20 /- already sanctioned by Government.

The classes will be formed on 1st. 1st October next, and instructions will have to be issued to the Districts for the deputation of the deserving candidates. I therefore request that you will be so good as to move Government to pass early orders in the matter.

I have the honor to be,
Sir,
your most obedient servant,

Inspector General of Police

Inspector General of Police in Mysore.

Sir,

In returning herewith your No.2744/162 dated 10/11th Instant, together with its enclosures addressed to the Secretary to the Govt of H.H.the Maharaja of Mysore, General and Revenue Departments, in re-the meeting of the cost amounting to Rs.1920/- of allowances for substitutes employed in place of Police officers undergoing trainin in the Police School from the probable savings under "Executive Rur Police, permanent" I have the honor to state that, as the Governmer have taken objection to sending imperfect statements you will have to make necessary arrangements to obtain figures from the district and fill up column 7 "expenditure up to date".

Further the amount of probable savings of about Rs.10,000/- under "Executive rural Police, permanent", as pointed out by you, is not susceptible of being watched by the audit branch of my office, and will very probably be absorbed by the extra charges due to promotions under departmental regulations, drawing of undrawn pay of past years and leave allowances.

In these circumstances I regret my inability to forward your letter to Government unless you point out the savings already accrue to Government by referring to the bills drawn up to date or any othe source and forward a fresh reappropriation statement prepared in the prescribed printed form, finl: Serial No.199 filling up all the columns with necessary details as required by the Financial rules.

No covering docket need be sent and all the required references & explanations should be recorded upon the statement itself.
